

CCS
EARLY LEARNING

Thank You

In our line of work we often get frustrated because so many problems could have been prevented with early intervention. I assume this is also very true for law enforcement. The work you did to build trust and positive relationships = priceless! I hope our relationships can continue!

Captain April,

Thank you for taking the time out of your busy schedule to spend time with our kids in our Sutton / Palmer preschool. It was a pleasure to meet you. We appreciate all you do for our community.

Sincerely, Serena Lee
