HOW IT WORKS

- 1** Submit a request via www.CollaborativeReform.org
Requests must come from a U.S. law enforcement agency and be authorized by the chief executive of the agency.
- 2** An IACP staff member will contact the requestor and collect additional information.
- 3** The CRI-TAC will assess the request and make a determination on type of TA to be delivered.
- 4** The CRI-TAC will work with the agency and applicable partner organizations to develop a customized plan to include success metrics and follow up.
