National Organization of Black Law Enforcement Executives (NOBLE) Remembers America's Pastor: Billy Graham

ALEXANDRIA, VA – Pastor Billy Graham invigorated Americans and many across the globe with his brand of Christian discipleship that spoke to the hearts of the suffering and the spirit of unity needed in times of turmoil. Pastor Graham, referred to most commonly as "America's Pastor" served as chief spiritual counselor for several U.S. Presidents reaching across both sides of the aisle. At a time when many evangelical pastors were critiqued for their outward condemnation of social policy changes, Pastor Graham remained neutral seeking to serve as a motivator, bridge-builder, and conciliator. The energy he exemplified in delivering prolific messages of hope, tolerance, perseverance and strength in the face of adversity made Pastor Billy Graham a household name. His memory and efforts to make the world a better place one family at a time have left an indelible mark on the lives of people throughout this nation and beyond.

About the National Organization of Black Law Enforcement Executives

Since 1976, The National Organization of Black Law Enforcement Executives (NOBLE) has served as the conscience of law enforcement by being committed to justice by action. NOBLE represents over 3,000 members internationally, who are primarily African-American chief executive officers of law enforcement agencies at federal, state, county and municipal levels, other law enforcement administrators, and criminal justice practitioners.
