June 8, 2018

Dear Captain Anthony April,

I appreciated our visit in your office on Friday May 8, 2018. I am always thankful when someone takes the time out of their day to address the problems we legislators possess.

I felt the topics we covered in our long discussion about the Sutton area, the Palmer area, the Troopers abilities and needs was extremely important to both sides of the discussion.

The relevance of the topics we covered were was very interesting and enlightening for me as a lawmaker. Your dedication to your badge, your men and the community at large spoke volumes to me. I am very thankful you are so easy to talk with and willing to converse on such an enjoyable level.

I would like to officially ask for some community assistance. The community of Sutton is wishing to come together on June, 14th 2018 at 7:00pm at the Sutton Library for the purpose of discussing their options in the battle with the rise in crime in the area. I am hoping you could spare an individual and possibly a Trooper presence to answer questions I am most positive will come up.

As the state moves toward taking a bite out of crime and we realize education is the beginning of vigilance, I am hoping you can attend for the purpose of providing sound advice and a way to effectively move forward.

Please let me know if you, or a trooper and a staff member can attend. I look forward to working with you in the future. (Maybe even a ride along).

Regards,

Rep. George Rauscher
