

TECHNICAL ASSISTANCE CENTER

A Program of the COPS Office

By the field, for the field

The Collaborative Reform Initiative Technical Assistance Center (CRI-TAC) provides customized technical assistance solutions designed to meet the unique needs of state, local, tribal, and campus communities throughout the United States.

The services and topics outlined in this brochure are meant to serve as examples. Requests for assistance that do not fall within one of these areas are given consideration.

Do you have a need in your community?

The CRI-TAC is here to help.

Visit www.CollaborativeReform.org for more information and to request assistance.

HOW IT WORKS

- 1** Submit a request via www.CollaborativeReform.org
Requests must come from a U.S. law enforcement agency and be authorized by the chief executive of the agency.
- 2** An IACP staff member will contact the requestor and collect additional information.
- 3** The CRI-TAC will assess the request and make a determination on type of TA to be delivered.
- 4** The CRI-TAC will work with the agency and applicable partner organizations to develop a customized plan to include success metrics and follow up.

The IACP and COPS Office have partnered with other leading law enforcement associations to ensure the most comprehensive and tailored solutions available for requesting agencies.

- Fraternal Order of Police
- FBI National Academy Associates
- International Association of Campus Law Enforcement Administrators
- International Association of Directors of Law Enforcement Standards and Training
- National Association of Women Law Enforcement Executives
- National Organization of Black Law Enforcement Executives
- National Tactical Officers Association
- National Sheriffs' Association
